Civitan's at work

The first weekend in May, Civitan's Team was playing in the Florida Challenger Jamboree and a team of Civitan volunteers, friends and family was kept very busy in the concession stand. After two long and full days, both teams are smiling at the end!

Hot dogs and canned soda were free with a voucher. These plus burgers, chicken on buns, pretzels, nachos, bottled soda, and sports drinks were assembled and dispensed at the Civitan-run concession stand. Civitan club volunteers are pictured above and include Frank, Fred, Richard, Kim, Lisa, Debbie, Robert Schroeder (St Pete) Debbie's son and girlfriend, Carl and Betty and Karen. Rays players (left below) helped with registration. This was a major event for Clearwater Challenger League baseball. Perfect weather, great volunteer support, games, face painting, bouncy houses, all helped make this a successful weekend and fun for all.

We meet the first and third Tuesday of the month at 6:30 PM at Countryside Country Club, Downstairs, social room, 3001 Countryside Boulevard, Clearwater
